About My Net Fone Limited

My Net Fone Limited, (ASX: MNF) is Australia's leading provider of hosted voice and data communications services for residential, business and enterprise users. My Net Fone was first founded in 2004, was listed on the ASX in mid-2006, has 62.5 million shares on issue, has operated profitably since 2009 and has paid dividends to its shareholders every six months since September 2010.

The company has a reputation for quality, value and innovation, having won numerous awards including the Forbes "Best under 1 Billion" 2014 and Forbes "Best shareholder return" 2014, CeBIT Outstanding Project Award 2013, Deloitte Technology Fast 50 (2008, 2009, 2010, 2012 and 2013), PC User Product of the Year (2005), Money Magazine Product of the Year (2007) and many others.

My Net Fone's wholly owned subsidiary, Symbio, owns and operates Australia's largest VoIP network, providing wholesale carrier services to the Australian industry, including number porting, cloud-based hosted PBX services, call termination, call origination and many other infrastructure enabled services. The Symbio network carries over 3 Billion minutes of voice per annum.
